Letter From AnnaMae Muryasz

Dear Parishioners,

July verses December in our lives. In July we find ourselves complaining about the extreme heat and yes, these days have been so hot. In December we find ourselves complaining about the cold and how we wish it were warmer. We never seem to find a happy medium with temperatures or other events in our lives. We continue to seek for the perfect and yet the perfect will only be ours when we find ourselves sharing heaven with the Lord for all of eternity. On earth there will always be something more that we want or we desire.

We are planning people like the gospel tells us today. We plan ahead for what is to come and yes, we have a right to plan for the “rainy days” of our lives. Where we often go wrong though is in our thinking and planning only for our own “rainy days”. We all have a responsibility to the community at large. When we plan for the future we need to consider those less fortunate around us. Those that we can help in some way. There is a “Mercy Challenge” for August and September in the Parish Bulletin that asks for school supplies or shoes for the children in Haiti. A most worthy cause. Think for a moment, of the people in your lives that might not be a part of them were it not for the kindness of generations past. Do we not want to leave this same legacy to future generations?

Recently I heard a story about a family that had what they needed. Their mom dressed them, fed them breakfast and sent them on their way to school each day. On certain days a neighbor boy used to arrive at the back door early in the morning and the mom would take an empty bag with her to answer the door. When she returned there was no bag and no one with her. On one day the youngest son followed his mother and went to the door behind her. He saw his mother giving the neighbor boy a bag with cereal and milk and a clean shirt. She turned to her youngest son and said. He has to eat before he goes to school too and he needs to look good. She just kept walking. No words were ever spoken about the back door visitor but everyone knew that mom was doing the “Lord’s work”. Whatever this family and mom shared with the neighbor became a treasure for eternity, drawing them closer to the Kingdom of God and to the Heart of God.

What are you sharing today to draw you closer to the Kingdom of God and the Heart of God?

In the sharing of Christ,

AnnaMae

Stewardship

Stewardship Generosity

"Take care to guard against all greed, for though on may be rich, one's life does not consist of possessions."

The Gospel message today is so contrary to our modern culture where advertising continually tries to convince us that our value lies in the things we possess. Jesus showed us that our true value lies in the way we live our lives. He challenges his *Stewards* to not store up or hoard material possessions, but rather to live a grateful and generous lifestyle.

Thank you to everyone who have already given generously to the 2016 House of Charity Bishop's Annual Appeal. We are all called to be instruments of God's Mercy. We invite all parishioners who have not already done so to support the programs and ministries of the Diocese of Camden by making a pledge to this year's campaign.

We ask that anyone who received the mailing from the Diocese to return your pledge to the parish office. Additional cards are available in the back of the church.

Our parish goal is \$145,170.00 of which we have received \$59,610.00 please pray about this and make your pledge.

Year of Mercy

Dear Parishioners,

God our Almighty Father is the protector of all. Last January Fr. Yvans, Fr. Wallace and a group of parishioners went to Haiti on a Mission Trip. They saw firsthand that most of the people living in Haiti lack many of the basic daily items. During the months of August and September, the "Mercy Team" has decided to ask the parish to help our brothers and sisters in Haiti with some of their basic needs in keeping with the Corporal and Spiritual Acts of Mercy.

August -For the past two summers the Summer Intensive Program has collected school supplies for the children in Haiti. This year the request for school supplies will be extended to the parish at large. As a teacher for many years I saw many a pencil on the floor of a classroom and pens being dismantled to play with in class, the children in Haiti treat these with respect since they often only own one and it has a real need and purpose in they're lives. Please bring in the school supplies on the Sundays of August 7th, and August 14th and place them in the containers provided.

September – The Sisters of Mercy were known as the 'walking nuns'. They were the first nuns to leave their convent and go out to the people in their homes, hospitals and prisons where the need was great. Therefore the boots are a symbol of the work that the sisters were able to do in their communities. Boots today are commonly worn in the winter but not in warm weather or warm climates. Therefore, we make a transfer here to meet the people of Haiti as well. We look especially here at the need for footwear of the children. The children in Haiti will soon begin school. They are not permitted to attend school in Haiti without having a pair of shoes. All summer they were allowed to run the streets in their bare feet but to receive an education shoes are required. Therefore, I suggest the purchase of shoes, sneakers are fine. All children sizes of sneakers and shoes are welcome. In this case we only ask that they be new. In the shipping process it takes weeks to get to Haiti and used shoes can build up an odor in shipment therefore new shoes are requested. The shoes should be brought to the church sites on September 4th, and September 11th and placed in the marked containers.

If you prefer to make a financial donation to Haiti please write a check to Notre Dame de la Mer parish and in the memo portion of the check please put the word "HAITI". These check donations will be tallied and one check will be sent to the orphanage in Haiti in the name of the parish.

Thank you in advance for taking care of the needs of the least of our brothers and sisters.

In deep and eternal gratitude,
The Mercy Team

Pre-Baptismal Classes: As the primary educators of their child, the parents/guardians and godparents have the most important influence on the faith development of children and parishes must provide catechesis for them before their child is baptized. It is important for the expectant parents/guardians to arrange to attend a session **5 months before the birth and Baptism** of the child. Contact the parish offices for more information. **The next class is scheduled for Saturday, September 10, 2016, from 9:30 to 11:00 AM.**

Funerals: To be arranged with a priest and funeral director.

Can I hear an Amen?

Thank you is so important for each of us to say when we are given a gesture of kindness or for the young to express their gratitude for gifts given. However, "thank you" is not the response to "the Body of Christ". Today "thank you" seems to be the response heard more and more coming from both the young and the not so young when receiving the Eucharist. Reflecting on the response makes one realize it reveals the gratitude of the people receiving the Eucharist however it does not in turn declare the religious meaning of the AMEN response. The response AMEN means, "So be it". When the words "Body of Christ" are said by the priest or the minister of the Eucharist and we respond with a heartfelt "AMEN" we are declaring our belief in the Real Presence of Christ. We are affirming our hope through our life of faith we will dwell with God in the life to come. We are confirming that Christ is the Lord of our lives. So please.....the next time that you come forward to receive the Eucharist please reflect on the response you will say and make it a heartfelt **AMEN** that echoes your belief in the faith.
