Our Mission Statement

The love of Jesus Christ gathers us together to welcome and embrace all God's Children.

El amor de Jesus Cristo nos unifica para acoger a todos como hijos de Dios

August 15, 2016

Dear Parishioner,

Today at all the Masses we will have students from our Wildwood Catholic High School speaking to encourage you to be as generous as possible for the annual collection for scholarships to our beloved high school. Here at Notre Dame de la Mer Parish we have two wonderful Catholic Schools, Cape Trinity Catholic Regional and Wildwood Catholic High School. We have found that there are many young people who would like to attend Wildwood Catholic High School but their family finances keep them back. This collection helps them and their families with a much needed scholarship. Many of our neighboring parishes also allow this annual collection at their parishes during the summer months. We are very grateful for their generosity! It is a testimony of how Catholic education is treasured here in Cape May County.

These young people who attend our schools are fortified with all the best that a Catholic education can afford them in a strong college preparatory course of studies coupled with a sound moral and Catholic formation. The local community continues at great sacrifice to support our schools year round. Your generous help goes a long way to ensure that future generations of fully educated and spiritually formed young men and women will contribute their talents and strengths to the Church in married life, priesthood, religious life and in all the walks they choose. Please be generous and may God bless you for your goodness.

Today is also a special day for our parish of Notre Dame de la Mer, Our Lady of the Sea, as it is our patronal feast day. Bishop Dennis Sullivan, Bishop of Camden, will celebrate a special Mass this afternoon at 4:30pm at our St. Ann Church, followed by the procession to the ocean for the traditional wedding of the sea. He will be accompanied by the seminarians of our diocese and the faithful from far and wide. I hope you will be able to join us this afternoon for this special spiritual event as we honor and celebrate the Assumption of the Blessed Virgin Mary into heaven and pray for the safety of all those connected to the sea through her powerful intercession. May the Blessed Mother watch over you and your family!

Stewardship

Stewardship
a way of life

Stewards Take a Stance

"Do you think I have come to give you peace on Earth? No, I tell you, but rather division." Luke 12:51

Living a *Stewardship* lifestyle means stepping out of our comfort zone when needed. Many of us like to play it safe, not cause waves, stay in the middle of the road. In today's world we are called to be informed and take a stance for life, marriage and religious liberty.

Thank you to everyone who have already given generously to the 2016 House of Charity Bishop's Annual Appeal. We are all called to be instruments of God's Mercy. We invite all parishioners who have not already done so to support the programs and ministries of the Diocese of Camden by making a pledge to this year's campaign.

We ask that anyone who received the mailing from the Diocese to return your pledge to the parish office. Additional cards are available in the back of the church.

Our parish goal is \$145,170.00 of which we have received \$63,256.00 please pray about this and make your pledge.

Year of Mercy

Dear Parishioners,

God our Almighty Father is the protector of all. Last January Fr. Yvans, Fr. Wallace and a group of parishioners went to Haiti on a Mission Trip. They saw firsthand that most of the people living in Haiti lack many of the basic daily items. During the month of September, the "Mercy Team" has decided to ask the parish to help our brothers and sisters in Haiti with some of their basic needs in keeping with the Corporal and Spiritual Acts of Mercy.

September – The Sisters of Mercy were known as the 'walking nuns'. They were the first nuns to leave their convent and go out to the people in their homes, hospitals and prisons where the need was great. Therefore the boots are a symbol of the work that the sisters were able to do in their communities. Boots today are commonly worn in the winter but not in warm weather or warm climates. Therefore, we make a transfer here to meet the people of Haiti as well. We look especially here at the need for footwear of the children. The children in Haiti will soon begin school. They are not permitted to attend school in Haiti without having a pair of shoes. All summer they were allowed to run the streets in their bare feet but to receive an education shoes are required. Therefore, I suggest the purchase of shoes, sneakers are fine. All children sizes of sneakers and shoes are welcome. In this case we only ask that they be new. In the shipping process it takes weeks to get to Haiti and used shoes can build up an odor in shipment therefore new shoes are requested. The shoes should be brought to the church sites on September 4th, and September 11th and placed in the marked containers.

If you prefer to make a financial donation to Haiti please write a check to Notre Dame de la Mer parish and in the memo portion of the check please put the word "HAITI". These check donations will be tallied and one check will be sent to the orphanage in Haiti in the name of the parish.

Thank you in advance for taking care of the needs of the least of our brothers and sisters.

In deep and eternal gratitude,
The Mercy Team

Celebration will begin at St. Ann's Church, 2901 Atlantic Ave. Starting at 4:00 pm there will be a prelude of musical selections performed by the NDDL M Music Ministry and accompanying orchestra. The vigil mass celebrating the Assumption of Mary into heaven follows at 4:30. Immediately following mass, the procession to the ocean will begin. Once at the water's edge, Wildwood lifeguards will take the bishop into the tide where he will bless the ocean by throwing a ring of flowers. A tradition started in Venice, Italy in the 1400's. A gold ring would be tossed into the ocean 'Marrying' it to the land. This symbolic gesture shows the significance the ocean has on the land in all Shore towns. A union so very important then as it is today. All are welcome to celebrate!!
